PC Unlock codes. PEGI 18 - 19. Unlocked all cars and parts in the game (and unlocked any car you ever try to get in the game by default). Hidden Car in the Showroom works 100%. By tweeter Grazie for the code!!! - one time? Blur codes and cheat codes for PC. When you complete a race of any opponent at online ranking, you can use the code 'R3' to get 15 killballs and 15 leadballs. This can be done easily by destroying the tires in a track, then buy the fastest car and see to see if you can destroy the tires, if you do, destroy more and more tires until you get what you wanted. And whenever you destroy tires in a track, you will instantly earn a 100 point boost, so you can destroy as many tires as you want without taking damage. Note that this can be done in all tracks as long as you have killballs in your car, but you can destroy as many tires in one lap as you want. Jan 24, 2019 How to unlock all cars and parts and achieve infinite damage glitch.
